About Kazora: where talent meets opportunity

Kazora connects businesses with carefully selected and trained professionals. We assess every Kazorian's skills, motivation, reliability and communication, provide practical training and offer ongoing support throughout the collaboration.

Why work with Kazora?

Kazora connects businesses with carefully selected and trained professionals. We assess every Kazorian's skills, motivation, reliability and communication, provide practical training and offer ongoing support throughout the collaboration.

1. **Find the right talent:** Access skilled professionals without spending hours searching.
2. **Work with prepared professionals:** Every Kazorian is selected, assessed and trained.
3. **Count on ongoing support:** We guide our professionals and stay involved throughout your collaboration.
4. **Choose what works for you:** From project-based collaboration and managed professional engagement to business and operational support.

Join our pilot program and get 20% off

Starting mid-December 2026 or January 2027, we're inviting businesses in and around Nairobi to join our pilot. Get 20% off your first month, early access to trained professionals and ongoing support. In return, your feedback will help us shape Kazora.

Let's get in touch!

Need extra skills or support for your business? Join our pilot and help us build a trusted network of businesses and professionals across Kenya.
